

MEMORANDUM TO MEMBERS OF THE ACADEMY OF SCIENCE
I.B.P.-H.A. ADVISORY COMMITTEE - PROJECT H.A.1

From: Dr. R.L. Kirk, Co-ordinator.

As a result of further discussions with members of the Departments of Health and Social Welfare in the Northern Territory, and with the individuals collaborating in various phases of Project H.A.1 it is now possible to put forward a draft of the final proposals for I.B.P. activities under this heading.

A copy of these draft proposals are enclosed. If you can let me have your comments as soon as possible I will revise the draft accordingly and send it to the National Committee. If I do not hear from you before the 10th June, I will assume you have no alterations to suggest.

R.L. KIRK.
