

DEPARTMENT OF HUMAN BIOLOGY

9 September 1970

Dear Professor Elkin,

On behalf of Dr. Kirk who is overseas until June, 1971 I am returning herewith the corrected galley proofs for the paper by Kirk, Blake, Moodie and Tibbs "The Distribution of Some Serum Protein and Enzyme Groups among Populations at Various Localities in the Northern Territory of Australia"

We would like 400 reprints of this paper for our own use and the bill for these should be sent to the Business Manager, John Curtin School of Medical Research, P.O. Box 334, Canberra, A.C.T.2601.

Yours sincerely,

J.R. PITTMAN (Mrs.)
Secretary
